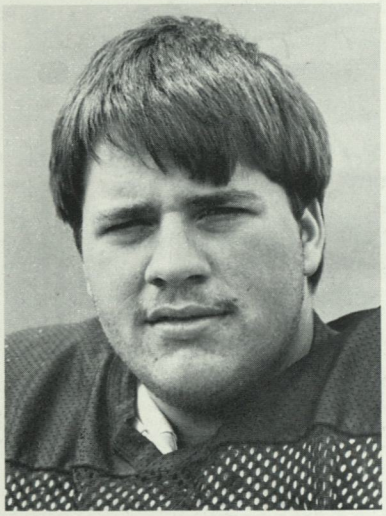
IN MEMORIUM



MIKE MAMMANO

February 16, 1965 - May 25, 1985

The Sea Gulls dedicate their 1985 Media Guide to the memory of Mike Mammano, who died May 25, 1985. Mammano, a sophomore, was the team's Most Valuable Player on defense in 1984 and an All-State selection in both 1983 and 1984. A person who gave meaning to the term "student-athlete," Mammano was a starter at tackle and a team leader on and off the field.

To dream the impossible dream,
To fight the unbeatable foe,
To bear with unbearable sorrow,
To run where the brave dare not go.

To right the unrightable wrong,
To love, pure and chaste from afar,
To try, when your arms are too weary,
To reach the unreachable star!

This is my quest, to follow that star,
No matter how hopeless, no matter how far;
To fight for the right, without question or pause,
To be willing to march into hell for a heavenly cause!

And I know, if I'll only be true to this glorious quest,
That my heart will lie peaceful and calm,
When I'm laid to my rest.

And the world will be better for this,
That one man scorned and covered with scars,
Still strove with his last ounce of courage,
To reach the unreachable stars.

"The Impossible Dream"
By Joe Darion and Mitch Leigh

In memory of Mammano, the Sea Gulls will be wearing his number on their helmets during the 1985 season.

MIKE McGLINCHEY (Delaware '67)
Head Coach
4th Year, 21-8-1

Mike McGlinchey has been with Salisbury football since it was an infant. The defensive coordinator of the first Salisbury squad in 1972, McGlinchey moved into the head coach's spot in 1982 following the program's only losing season (2-7).

Since that time, McGlinchey-coached teams have compiled a 21-8-1 record and a semifinal berth in the NCAA Division III championships in 1983. That year also marked the only year that a Sea Gull team finished the regular season with an unbeaten record, winning nine games while suffering only a 13-13 tie to Kean College. The only loss of the season came in the semifinal game at Sea Gull Stadium when the Gulls dropped a 23-21 decision to Union College.

A graduate assistant coach under Harold "Tubby" Raymond at Delaware, McGlinchey brought the Delaware Wing T offense to Salisbury and has made several changes to that offense to better suit the program. He remains one of the leading authorities on the Wing T and is sought out by other college coaches for direction in the use of the Wing T.

McGlinchey is a member of the National Football Coaches Association and serves on its national Division III All America selection committee.

During his 10 year period as defensive coordinator for the Gulls, McGlinchey also served as head wrestling coach, creating that program in 1972. His 10 year record of 113-32-2 was one of the best in the country during that period, a time that saw the Sea Gulls rise to the top of Division III, placing third in both 1978 and 1979

In all, McGlinchey coached six national champions and 16 All-America wrestlers with five national championship tournament teams. He was nominated for Division III Coach of the Year honors in both 1979 and 1980.

Born December 28, 1944 in Richland, Washington, McGlinchey moved with his family to Delaware and attended Newark High School. He competed in football, wrestling and baseball at Newark and was the state runner up at 103 pounds in his senior year.

His baseball talents did not go unnoticed, the second baseman earning many awards during his career and a five year stint in the Delaware Semi-Pro Baseball League. A perennial all-star selection, McGlinchey hit .412 one year.

At the University of Delaware, McGlinchey continued to compete in all three sports, one of the last three-sport athletes in Blue Hen history. As a senior, he was named both the outstanding wrestler and outstanding senior athlete at Delaware.

The next two years saw McGlinchey serving his country in the U.S. Army at Baumholder, Germany. He still had the urge to participate in sports and wrestled for his company there. In 1969, he won the Army's European Wrestling Championship, wrestling for the 8th Division at the 191 pound class.

McGlinchey returned to the United States and worked for one year at Elkton High School as a physical education instructor and assistant coach of both the football and baseball teams while starting a wrestling program.

A frequent speaker at area meetings and banquets, McGlinchey has worked at various football and wrestling camps while consulting with other college coaches in helping them with their programs.

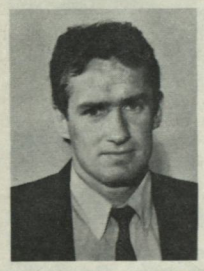
ASSISTANT COACHES

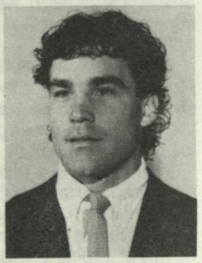


KEVIN COLLITON (Salisbury '82)
3rd Year

Now in his 3rd year on the Sea Gull staff, Kevin Colliton will again be in charge of the Salisbury receiver corps while working with the kickoff team.

Colliton played both kicker and split end for the Gulls and is credited with a field goal and an extra point in the SSC Record Book. He is the older brother of Gavin Colliton, Salisbury defensive end coach.

SEAN GIBSON (Salisbury '82)
3rd Year



This is also the 3rd year for former Sea Gull halfback Sean Gibson, who will work with the offensive backfield.

A two-sport standout while an undergrad, Gibson is in the Sea Gull Record Book for having the longest run from scrimmage, an 87 yard touchdown run against Kean College in 1982.

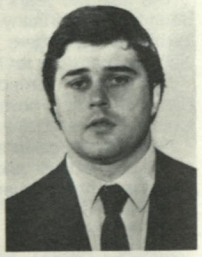
The records show Gibson, who attended nearby Seaford High School in Delaware, with 57 carries for 197 yards and three touchdowns along with 10 receptions for 150 yards and a touchdown. He also returned punts and kickoffs for the Gulls during football and was a catcher for the Salisbury baseball team in 1980. He was an assistsant coach to head baseball coach Deane Deshon during the 1985 season.

GAVIN COLLITON (Salisbury '83)
2nd Year

Gavin Colliton will be in charge of the defensive ends for the second straight year after playing the position for head coach McGlinchey for two years at Salisbury.

The younger of the two Colliton brothers on the Sea Gull staff (older brother is receivers coach Kevin Colliton), Gavin received the Comeback Player of the Year award in 1983 following an off-season back injury in 1982. He transferred to Salisbury from Montgomery Community College and lettered both years he played at Salisbury.

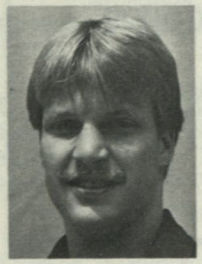
MATT FOSTER (Illinois State '83)
2nd Year



After one year at Salisbury, Matt Foster's enthusiasm to help the program grow has brought several new areas to the coaching staff. Foster will again work with defensive line and coordinate the film exchange.

The area that Foster has added to the program lies in off-season conditioning and the new free weight room for athletes located in the field house adjacent to Sea Gull Stadium.

Foster played several defensive positions at Illinois State and followed his playing career with graduate work at Northern Illinois where he was an assistant coach. He has also had coaching experience at the high school level, coaching offense and defense at Normal Community High School in Illinois.

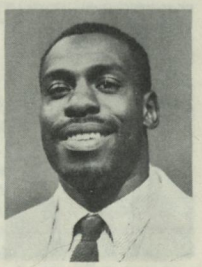


MARK GENIESSE (Salisbury '83)
2nd Year

Former Sea Gull center Mark Geniesse begins his second year working with the offensive line along with another former center, Chris Boozer. Geniesse was a mainstay on the offensive line that took the Gulls to the NCAA Division III semifinals, starting for the Gulls three of his four years in uniform.

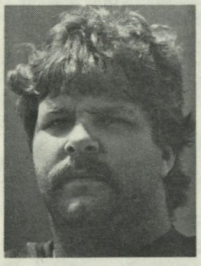
A graduate assistant coach, Geniesse played both line and defensive linebacker at Seaford (DE) High School and competed as a pole vaulter in the spring. Aside from his duties during the week, Geniesse is also one of the coaches sent to scout upcoming opponents.

SHERMAN WOOD (Salisbury '82)
2nd Year



Ranked as one of the top defensive backs in Sea Gull history, Sherman Wood works his second year as coach of the defensive backs with newcomer Jim Parker.

Wood led the 1982 Sea Gull team with four interceptions, returning one for a touchdown. His 131 yards on interception returns is a Salisbury State record. A team leader as a player, Wood continues to play that role as a graduate assistant coach. He works as a scout on the weekends, taking notes on upcoming opponents.



CHRIS BOOZER (Salisbury '84)
1st Year

Perhaps the biggest center in college football last year, Chris Boozer returns to Salisbury State as an offensive line coach this year. At 6'5, 295 pounds, Boozer brought fear to opposing noseguards when he got off of the bus.

An ECAC All-Star last year, Boozer was given a tryout with the Washington Redskins during the offseason and told to report back in 1986. After transferring from Delaware where he started at offensive guard, Boozer started at defensive tackle for the Gulls, only to break his wrist in his first game. He returned later that year as an offensive tackle, then moved to center last year. A graduate student in 1985, Boozer will finish his degree this year.

MATT LONG (Shepherd '78)
1st Year

Matt Long brings professional experience to the Sea Gull coaching staff in his first year. A standout performer at the linebacker spot for the Shepherd (WVA) Rams, Long took his career to the NFL and the Kansas City Chiefs.

Long has worked with the Gull coaching staff with recruiting during the off-season and has assisted Matt Foster with the weight training program. He will work with Foster as defensive line coach in the 1985 season.

JIM PARKER (Salisbury '84)
1st Year

Jim Parker, the second leading tackler on the 1984 Sea Gull squad from his defensive back position, starts his coaching career at Salisbury State this season with the defensive backs. Parker's main charge this year is to work with the Gull secondary on pass coverage and overall quickness.

A quick and hard hitting defender, Parker led the Gulls with five interceptions in 1983. A graduate of Bowie High School, Parker started at tight end in 1982, then switched to defensive back. An excellent golfer, he had the opportunity to attend several schools on golfing scholarships, but chose Salisbury instead.

BILL LARKIN, (Salisbury '86)
1st Year

Bill Larkin, one of the hardest hitting linebackers in Sea Gull history joins the coaching staff this year, working with the linebackers. Larkin teamed with David Spradlin to record over three-quarters of the tackles made by the Salisbury defense last year.

Named to the All-State team both years at Salisbury, Larkin came to the Gulls after starting for two years at Harford Community College near his hometown of Edgewood. A starter on the Sea Gull Lacrosse team as a defenseman, Larkin is still finishing his degree with two years of lacrosse eligibility remaining.

DAN THORPE, (Wisconsin-Stevens Point '81)
1st Year

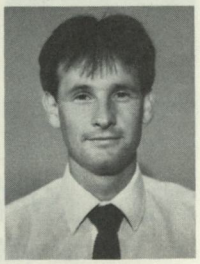
Dan Thorpe comes to Salisbury State after working as a coach for the last four years in Wisconsin.

A 1981 graduate of Wisconsin-Stevens Point, Thorpe was named to the All-Conference team as a defensive back in 1980. A scholar-athlete at W-SP, Thorpe had been the Wisconsin state high school Player of the Year as a cornerback and defensive back on the 1976 state champ Antigo High School team.

Following a year as the graduate assistant coach at Wisconsin-River Falls, Thorpe moved to Grafton High School where he worked for three years as a defensive assistant and assistant track coach. While at Grafton, Thorpe coached the Wisconsin state champs one year and the state runners-up the next.

SUPPORT STAFF

PAT LAMBONI, ATC
Head Trainer, 4th Year



Pat Lamboni is in this fourth year as head trainer for the Sea Gulls. A strong advocate of certification for athletic trainers, Lamboni coordinates and carries out the athletic training concentration in Physical Education at Salisbury State. The program, which sends Salisbury students to area high schools as their athletic trainers, is the only one of its kind in the state.

A 1978 graduate of Salisbury State, Lamboni played second base on the Sea Gull baseball team in 1976 and 1977 under coach Deane Deshon. After achieving a M. Ed. from Salisbury, he received his NATA certification in 1980.

Lamboni spent the next two years as the head trainer at Catholic University in Washington, DC, before returning to Salisbury in 1982 as head trainer, replacing Hunter Smith, now head trainer for the Indianapolis Colts of the NFL.

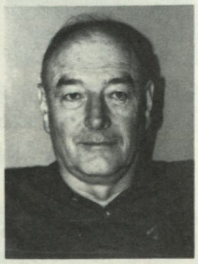
Aside from his duties as head trainer and Physical Education instructor, Lamboni is responsible for all team travel plans during the season.

TOM STITCHER,
Facilities Coordinator, 9th Year

Tom Stitcher begins his 9th year as an employee of Salisbury State though he has been associated with the college as a student since 1973. Stitcher is responsible for the preparation and maintainence of all Sea Gull athletic facilities, including the Sea Gull Stadium Complex and Maggs Physical Activities Center.

A one-time instructor of Physical Education at Salisbury State, Stitcher was also the assistant baseball coach during the 1976 season. A 1975 graduate of Salisbury State, Stitcher received his master's degree from SSC and is currently working toward his doctorate at West Texas State.

VIC KEEN
Equipment Manager
4th Year



Now in his 4th year at Salisbury State, Vic Keen will once again be in charge of all equipment for Sea Gull athletics. Keen oversees a student staff in preparing practice and game uniforms and works closely with Tom Stitcher as far as equipment maintainence goes.

Formerly supervisor of transportation for the Wicomico County Board of Education, Keen retired in 1980 after 31 years of service. Keen worked his way to that position after starting as an elementary school instructor. He later took part in the planning and building of several area elementary and high schools.

A 1950 graduate of Salisbury State, Keen received his master's degree in 1956 from the University of Maryland. Before attending Salisbury State, Keen attained the rank of Chief Petty Officer in the US Navy from 1942 to 1946.

With the start of the 1985 season, Keen starts his 2nd term as president of the Sea Gull Club.

1985 SEA GULL OUTLOOK

OFFENSE

The Delaware Wing T. Only a few use it while many fear it. If you are a product of the University of Delaware football program, you worship the Wing T and use it wherever you go. If you are an opposing coach, you continue to look at what makes this offense work and the ways in which to stop it.

That was pretty much the way it was in 1983, the year that saw Salisbury football rise to the top ranks of NCAA Division III behind former Delaware player and graduate assistant **Mike McGlinchey**. But 1984 was the year that opposing coaches quit looking for ways to stop the Wing T and found them, leaving little Salisbury without enough strength to simply overpower the defense, like several of the other schools sporting a Wing T offense. The result, after five straight wins, was two season-ending losses, leaving the Gulls home at playoff time.

The Gulls have not gotten any bigger, though the offense returns virtually unchanged in 1985 and the opposing coaches know even better how to stop the Wing T. McGlinchey's solution to a seemingly fatal problem is to work on the good points in the present offense and make adjustments in other areas. He's changed the Wing T.

"We know how people try to stop the Wing T," says McGlinchey, the former three sport standout for the Blue Hens. "We've studied the Wing T and what people do against our offense. Now we see ways to make the defense change what they're doing."

Some of the new wrinkles in the "Salisbury Wing T" will be use of the deep passing threat, more motion in the backfield and the use of surprise. "We've got the personnel returning to really make this offense work for us."

QUARTERBACK

With the nation's No. 1 returning quarterback on his side, it's easy to see why McGlinchey is so optimistic about his offense. **Robb Disbennett (6'0, 175)**, who connected on a record-breaking 63.9 percent of his passes for nearly 1,400 yards last year, should provide the leadership needed to make the new offense go. Calling him "the smartest football player I've ever coached," McGlinchey has an extra coach in Disbennett on the field. "He knows the offense better than I do," says McGlinchey, which will surely aid the entire team with Disbennett calling the signals.

Disbennett has set several NCAA passing records during his three years as the Sea Gulls' starting quarterback and will be closing in on several NCAA all-time career passing marks in his final year.

Should the unthinkable occur and Disbennett be sidelined, McGlinchey will not hesitate to call on sophomore **Kevin White (6'2, 200)**, a Salisbury native and the Sea Gulls' No. 2 quarterback last year. McGlinchey contrasts the two field generals by using Disbennett's name when talking about passing and White's name about bowling defenders over on the option and overall running game.

BACKS

The Gull coaching staff's recruiting over the last two years will show much fruit in the 1985 Salisbury backfield. The fullback position will again see **Dwayne "Dee Dee" Humenik (5'9, 200)** at the starting position during preseason, but being given stiff competition from junior **Jeff Holtzinger (5'10, 200).**

Humenik suffered ankle problems through the entire 1984 season, leaving the Gull backfield looking to the halfbacks for help. Humenik is considered one of the top fullbacks around even when he's not healthy, due mainly to his ability to run, block and catch the ball from the backfield well. Holtzinger, a transfer from the University of Maryland, has had a year to understand the Salisbury offense and has worked on strength and agility.

The recruiting really came to full focus last season when halfback **Mike Coppa (5'10, 185)** showed the staff what he could do, averaging close to six yards a carry in limited action. Coppa, a sophmore, will be called on to fill the shoes of senior **Maury Jarmon (5'9, 190)**, who leaves the offensive backfield for a spot at cornerback. Jarmon gained 620 yards last year to lead the team, but asked the coaching staff to play him at defense, a move that they did not hesitate to make.

Two-year starter **John Harris (5'10, 190)** will start again this season, following a year as the team's leading scorer, catching four TD passes and running in for three more. Senior **Pat Sullivan (5'8, 170)** impressed the coaches during his time last year as much as Coppa did and will share time in the backfield.

RECEIVERS

Senior **Joe Allen (5'10, 170)** set a season receiving record last year (45 catches for 526 yards), but coach McGlinchey still feels that Allen has further to go to reach his full potential. Two sophomores have been singled out as the players likely to be pushing Allen to either reach his potential or give up playing time. **Chris Holston (6'0, 160)** played a good deal last year and pressed Allen for the spot even then. **Mike DiLeonardo (6'0, 165)** is fast and tall with good hands. Look for the backs to play a big role in the receiving corps this year as usual.

OFFENSIVE LINE

With the graduation of All-America guard Joe Mammano (250 lbs), center Chris Boozer (295 lbs) and tackle Sonny Yeatman (250 lbs), it looked to the outsider as though the beef on the O-line was gone.

The line didn't really lose a lot though, due to the fact that at least nine other players waited in the wings to get their chance. **Charles Duker (6'0, 290)** played several positions on the line as a rookie last year along with junior **Pat Richards (6'1, 250)**. They will anchor the outsides of the main line along with the help of **Richie Braun (6'2, 225)**.

Noel Rosas (5'11, 205) will start again this year at a guard spot, bringing quickness and power on the sweep. The guard spot left open by Mammano may be filled by **Jeff Cranford (5'11)**, who played sparingly last year. **Charles Christian (6'0, 245)**, who sat out last year after two years of play, holds the center position. **Jeff Braxton (6'2, 220)** and **Tony DeLuca (5'11, 210)** have worked hard during the offseason and will play a considerable amount this season.

Mike McGee (6'1, 220), a transfer from Delaware two years ago, came on halfway through the season to challenge for the starting job at tight end and saw a lot of time, starting at the end of the season. A fullback for the Blue Hens, McGee made a transition to defense last year before coming back to the offense.

Mark Bengal (6'4, 225), a tight end on the 1983 Salisbury semifinalist team, returns after a year's absence. Bengal hurt his knee at the end of the season and sat out all of last year after knee surgery. He could be a big help if he remains healthy.

DEFENSE

The Salisbury State defense lost two key members of its unit during the offseason. Mike Mammano died in May from injuries resulting in a fall from the roof of the college administration building. His death stunned the entire community and hit home on the football team. His unselfish and jovial attitude brought the group closer together.

Within a month of the loss of Mammano came another shock, the fact that defensive coordinator Hank Janczyk was leaving Salisbury for Ohio Wesleyan to coach lacrosse and football.

But even without the two, McGlinchey and his staff feel that 1985 is the season for them, with only the spot left by Mammano unfilled by a veteran player. Last year's defense gave up only 100 yards rushing per game and was top-ranked in the nation through much of the season. With that in mind, the returning defenders are confident. And in the same way that the offense is set, the defense has a great deal of talent returning from 1984 with new players to boot.

DEFENSIVE LINE

A solid front five is the outlook for the defensive line. Anchoring the left side of the defensive line will be end **Tom Kress (6'3, 220)** and tackle **Tom Mills (6'4, 230)**. Kress came out of nowhere last year to lead the team in sacks with 15, including a stretch of three games in a row with at least three sacks. A good man on containing the rush, Kress will be given help from **Kevin Berg (6'0, 190)**, who, like Kress, is a sophomore.

Mills was one of the unsung players of last year's team, recording only five tackles and half a sack. That meant that he was doing his job, say the coaches, and is expected to do even better at it this year after hitting the weight room to build up strength and speed.

The right side of the line may be a little different than the left, but just as strong. **Mike Geesaman (5'9, 205)**, a senior, moves from the secondary to the line, where he has played at various times throughout his career. Geesaman is the leading returning tackler from last year's team, recording 46 tackles during the year. **Jimmy Toner (5'8, 190)** will also play some at an end position.

The right tackle spot left open with Mammano's death will be filled by a newcomer, the only spot on the team where a newcomer will be called on to start.

The noseguard spot will see **Norm Bage (5'10, 215)** as the starter and **John McBride (5'11, 220)** as his backup. The two men shared playing time in 1984, with Bage recording 36 tackles and McBride 11. Bage was second to Kress in sacks last year, capturing the opposing QB seven times.

CORNERBACKS

When the Gulls scored a lot of points last year, several players got a shot at defense during the season. **Maury Jarmon (5'9, 190)**, a player who was scoring those points, asked to be switched to a cornerback position so he could do some hitting instead of being hit. He'll have to beat out **Rob Wagner (5'8, 175)** before he does any game hitting, however. Wagner was a starter for the Gulls last year before breaking his ankle in the Randolph-Macon game, an injury that put him out for the season.

The other cornerback spot is left to **Paul Washington (5'9, 190)**, who started at times during the 1984 season. Washington showed many positive signs last year and will be counted on to help solidify the left side.

LINEBACKERS

They're called SAM and WILL and last year they made close to three-quarters of all the tackles made by the Salisbury defense. The linebacker position is the heart of the Sea Gull defense and the men who play there must be tough, aggressive and eager to hit. **Chris Nemith (6'1, 210)** and **Chris Snyder (6'0, 200)** will be given the first shot at filling the shoes left by the graduation of David Spradlin and Bill Larkin. Both Nemith and Snyder played frequently in 1984, Snyder recording 11 tackles and a blocked punt. **David Otlowski (6'0, 225)** and **Chris Johnson (6'1, 200)** will be called on for backup duty, a position that might just need backing up with all of the contact going on there.

DEFENSIVE BACKS

The majority opinion after the 1984 season was that Salisbury could not stop the pass. Giving up nearly 200 yards a game through the air, Salisbury did fall victim to the pass on more than one occasion, due mainly to its overall defensive youth. But four seasoned players return in 1985 to give Salisbury's secondary something that it didn't have in 1984 — depth and experience.

Steve Bykowski (5'10, 185) was a starter at strong safety through most of the season last year after transferring from Montgomery CC and recording 20 tackles and a sack. **Ruben Stevenson (6'0, 170)** saw considerable time at a safety spot and will back Bykowski at the start of the season.

The free safety position will be anchored by **Matt Butler (6'0, 185)**, who started on and off as a freshman last year. Returning to the Sea Gull line-up after a year's absence is **Joey Slaughter (5'11, 175)**, the safety on the record-setting 1983 squad.

SPECIAL TEAMS

KICKING GAME

After a season-long fight for starting privileges last year, senior **George Williams (5'10, 170)** will be the Gulls' starting kicker over sophomore **Bill Maurer (5'10,160)**. Williams set a Salisbury record for consecutive extra points, hitting all 18 of his attempts ina row before missing his final shot against Widener when he also hit a 31 yard field goal. Maurer, on the other hand, showed signs of inconsistency during the season, hitting only two of eight field goal attempts. McGlinchey feels, however, that Maurer may end up being Salisbury's best kicker by the time he graduates.

PUNTING GAME

Kevin White, the Gulls' backup quarterback, will be the starting punter for the second straight year. A 34.0 average on 36 punts last year, White put nine punts inside the 20 yard line. The punt coverage team must help White improve his net average of only 29.5 yards per punt. Bill Maurer will act as White's backup along with his kicking duties.

SALISBURY 960, WSBY TO AIR SEA GULL FOOTBALL

WSBY Radio, Salisbury 960, will broadcast all Salisbury State football games during the 1985 season, along with a pregame coach's show and postgame wrap-up.

From the Gulls' season opener at CW Post on Long Island to the NCAA Division III Championships, WSBY will air Salisbury State football in 1985.

Handling the play-by-play and color commentary will be Spiro Morekas and Paul Runnels, bringing several years of sports broadcasting experience to the radio booth. Morekas, a newsman for WICO radio, has spent the last few years doing play-by-play broadcasts of Towson State University sports. Runnels, a newsman at WMDT-TV, had been working with University of Maryland sports prior to coming to the Eastern Shore. The two will split duties during the season.

WSBY resumed broadcast of Salisbury State athletics last season with the 1984-85 men's basketball season. Plans are underway for WSBY to carry the Gulls again this season, with the possibility of moving into other sports as the year progresses.

SEA GULLS ADOPT NEW LOGO

With the start of a new academic year comes the introduction of a new logo representing Salisbury State athletics. Designed by Carol Bloodsworth, head graphic designer for for the Salisbury State Office of Publications, the logo combines several national trends regarding athletic department logos and still gives uniqueness to the college's mascot, the Sea Gull.

"We wanted to move with the times and develop a mascot that was unique, one that you can't find on the funny pages," said Salisbury State athletic director Dr. Louis Marciani. "We are one of a few schools that use the Sea Gull as their mascot. We needed a logo that stood out from the rest, one that was fierce and said 'Salisbury State Sea Gulls.' I think we found the right one."

Carol Bloodsworth

Bloodsworth's design, selected from various designs by local graphic designers, will be used in all Salisbury State athletic matters during the coming year. Due to cost efficiency, all athletic equipment will receive the new logo when the equipment is replaced. The department hopes to make full use of the logo by 1987.

The logo will be used in two different ways, allowing flexibility in some instances. It will be used with both the wings and "motion S" as well the "motion S" by itself. The logo is copyrighted by Salisbury State College and can only be used with permission from the Salisbury State College Public Relations Department.

IF HISTORY REPEATS ITSELF...
the Sea Gulls should do fairly well this year. In games against the seven 1985 opponents the Gulls have faced before, Salisbury carries a 34-17-1 record. The Gulls have not lost to UDC in four meetings and only have a losing record against Glassboro State, who the Gulls have beaten four of the last six times they have met.

100 YARD RUSHING GAMES ARE FEW THESE DAYS...
or at least compared to the days of Jim Watson and Levi Shade. The most recent 100 yard rushing game came last year when halfback Maury Jarmon rushed for 113 yards against the University of DC in the Gull's 16-12 win. Jarmon also rushed for over 100 yards against Randolph-Macon, gaining 186 yards in the great comeback game. Fullback Dwayne Humenik has rushed for over 100 yards on six occasions in his career, but none last year. Watson rushed for over 100 yards 14 times during his career and Shade 11.

BUT 100 YARDS PASSING GAMES ARE FREQUENT...
in the case of Robb Disbennett. The senior co-captain this year completed passes for over 100 yards in all nine games during the 1984 season. In all, Disbennett has 18 career games for over 100 yards passing, including his 245 yard performance against Randolph-Macon last year. Before Disbennett, Tony Bell completed passes for over 100 yards 11 times. But, unlike Disbennett, Bell hit for over 200 yards five times during his career, including a record 254 yards against Frostburg State in 1981.

THE DIVISION III FOOTBALL PLAYOFFS...

will take a new shape in 1985. As was originally planned for 1984, the Division III playoffs will include 16 teams invited from the NCAA's four geographic regions. Regional and semifinal rounds will be played at campus sites at the end of the season. The Amos Alonzo Stagg Bowl, which is the Division III Championship game, will be played this year at the Phoenix City (Alabama) Municipal Stadium on Saturday, December 14.

WHEN TALKING ABOUT PASSING QB'S...

quarterback Robb Disbennett's name can't be left out. Disbennett became the first Sea Gull QB to complete 100 passes in a season last year, hitting 117 of 183, another Salisbury record. In each of his three seasons, Disbennett has passed for more than 1,000 yards and has completed, overall, more than half of his attempted passes. The record book stays open to his name in 1985.

IN TERMS OF VERSATILE PERFORMERS...

fullback Dwayne Humenik leads the Salisbury State list. The senior co-captain has turned in outstanding seasonal performances in both rushing and receiving. In 1983, Humenik rushed for 1,008 yards on 204 carries while catching 23 passes for 296 yards. Last year, Humenik's ankle injury hampered his running ability, but still allowed him to catch 21 passes from the backfield, placing him 10th on the seasonal performance list.

SSC TODAY

Nestled in one of the nations's most magical and historical areas, the Eastern Shore of Maryland, Salisbury State College effectively combines the relaxed yet personable nature of a small college education with the rigorous academic demands of a major university.

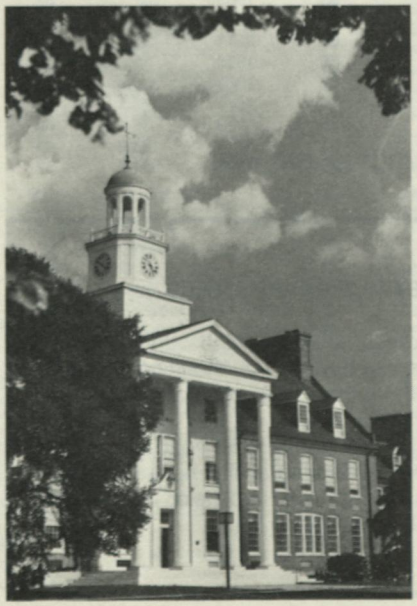
The recreational pursuits of the Eastern Shore are legendary, from the boardwalk of Ocean City to the wilderness of Chincoteague Island to the tranquility of Blackwater Refuge near Cambridge, Md. Only 30 miles to the east is Ocean City's famous white beach and the 30 miles of Assateague Island's National and State Park.

Salisbury, Wicomico's county seat and the Shore's major city today, was laid out by a charter granted in 1732, the year George Washington was born.

The College offers undergraduate programs leading to the Bachelor of Arts and Bachelor of Science degrees, and graduate programs leading to the Master of Arts in English, History and Psychology, the Master of Education, and the Master of Business Administration.

Salisbury State's undergraduate program became more defined in 1984 with the alignment of the College's major programs into five distinct schools of learning: the School of Nursing and Health Sciences; the School of Business; the School of Liberal Arts; the School of Professional Studies, and the School of Science.

The Salisbury State athletic program is a comprehensive program, offering participation in 18 intercollegiate sports at the NCAA Division III level. In all, nine sports are offered for participation by male students and nine for participation by female students.



In addition, the College offers sports at the club and intramural level with a wide range of activities through the Office of Intramural and Recreational Sports.

Requests

We hope that you have the opportunity to visit the Salisbury campus often during the season. In order to make sure that all of your needs are met during your visit, please contact the Sports Information Office prior to your visit, so appropriate preparations can be made.

Game Day

Members of the media covering Salisbury State football must contact the Sports Information Office prior to game day to receive credentials. Complete statistics are kept during the game and complete pregame information is released weekly. Complete game statistics along with play-by-play will be available approximately 15 minutes following the game at the second floor offices of the Maggs Center. Telephones, typewriters and telecopier services are available in the Maggs Center at that time.

Scouting

All requests for scouting passes must be made through the Sports Information Office prior to game day. Scouting passes for press box seating are limited to two per opponent and seating is arranged upon availability.

Interviews

Salisbury coaches and players are available approximately 10 minutes after all games. Please contact the Sports Information Office for interviews during the week.

Radio/Television

Radio/television play-by-play hook-ups can be arranged by contacting the Sports Information Office six (6) weeks prior to the scheduled game.
